

# UNIT 11- LESSON PLANS

<b>Class</b>	Algebra 1	<b>Topic</b>	U11 - Adding and Subtracting Rational Expressions	<b>Lesson</b>	4	<b>Of</b>	7
--------------	-----------	--------------	---------------------------------------------------	---------------	---	-----------	---

<b>Objective</b>	Students will: <ul style="list-style-type: none"><li>• Discuss the three methods of finding the LCM; and</li><li>• Perform addition and subtraction of algebraic fraction.</li></ul>
<b>"I Can" Statement</b>	I can simplify and perform addition and subtraction of rational expressions.

<b>Common Core Standards</b>	<a href="#">CCSS.MATH.CONTENT.HSA.APR.D.7</a> (+) Understand that rational expressions form a system analogous to the rational numbers, closed under addition, subtraction, multiplication, and division by a nonzero rational expression; add, subtract, multiply, and divide rational expressions.
------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<b>Bell Work</b>	See Bell Work 11- 4
------------------	---------------------

<b>Procedures</b>	<ol style="list-style-type: none"><li>1. Start and lead student discussion related to the bell work.</li><li>2. Distribute the Guided Notes</li><li>3. Present lesson or play a video lesson.</li><li>4. Use an Online Activity if time permitted.</li><li>5. Distribute Lesson Assignment.</li></ol>
-------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<b>Assessment</b>	Bell Work 11-4 Assignment 11-4 Exit Quiz 11-4
-------------------	-----------------------------------------------------
